Zakat, Tax and Customs Authority

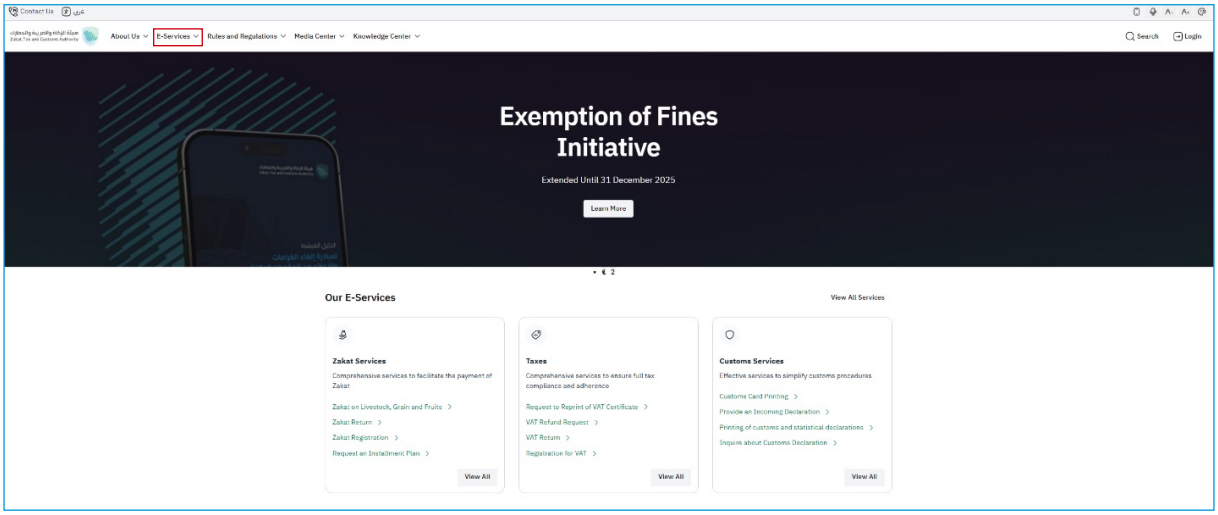

User Manual

Integrated Customs Tariff

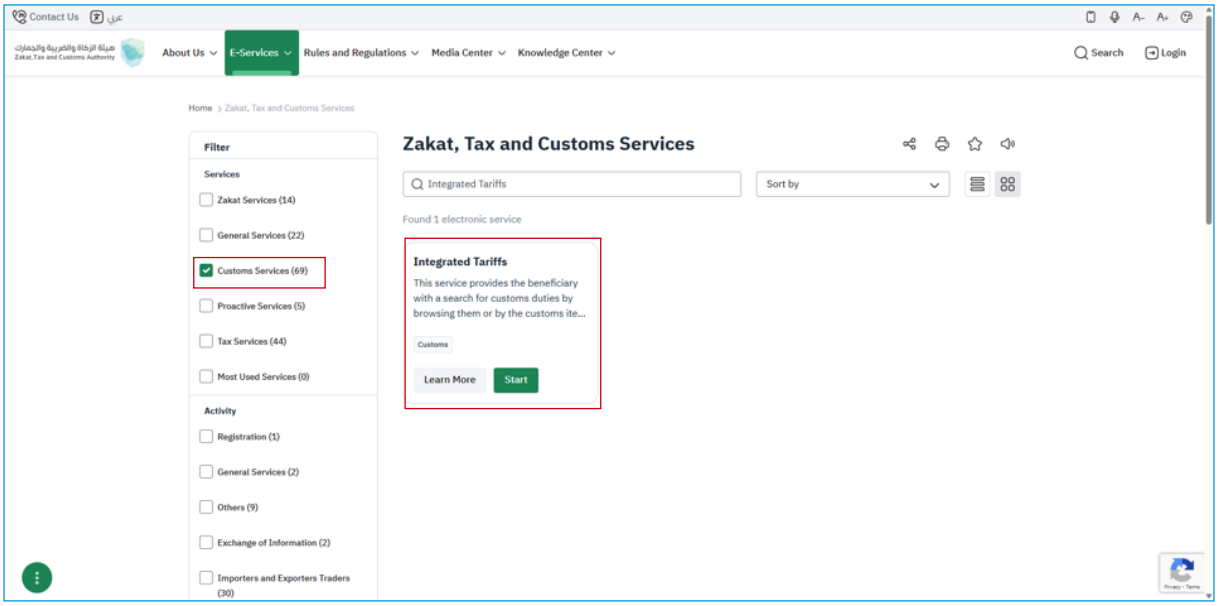

About the Manual

This Manual demonstrates the integrated customs tariff mechanism via the website

- Open Zakat, Tax and Customs Authority website: **Zakat, Tax and Customs Authority**
- Click on " E-Services " from the top of the list

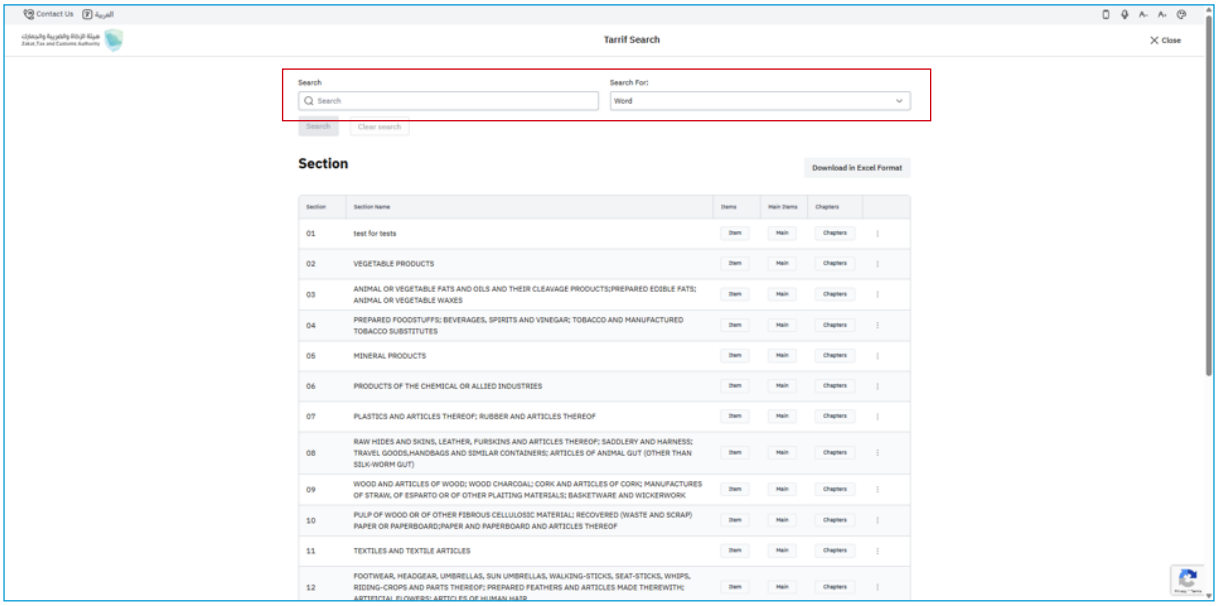

- Filtering the services to " Customs Services " and then the " Integrated Tariffs" service:

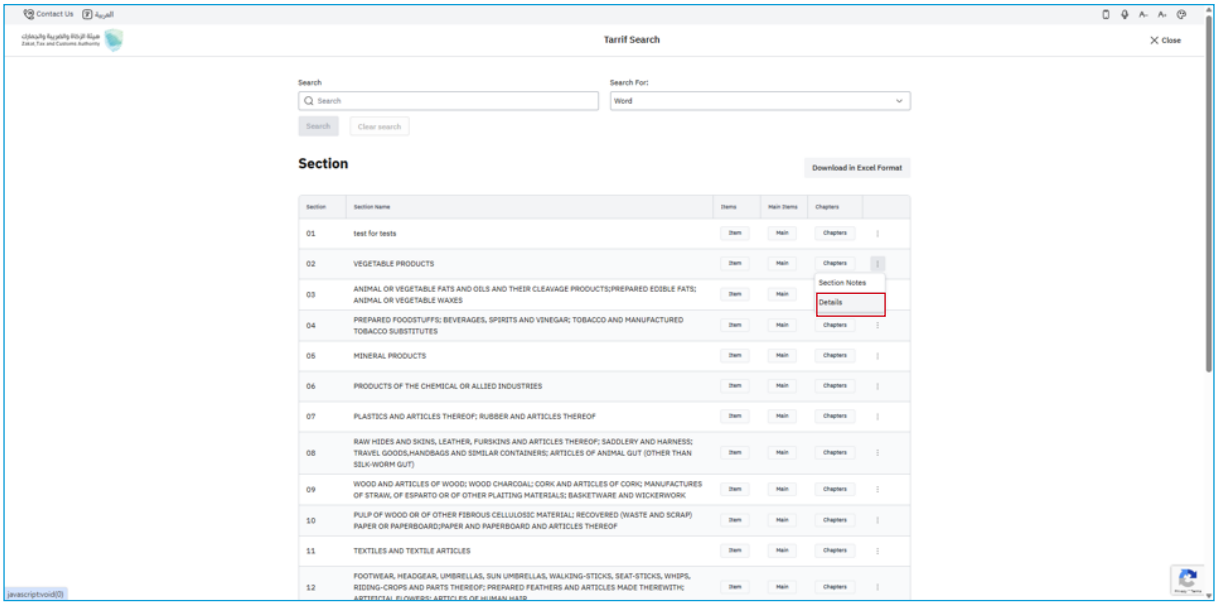

1. You can browse the list of the sections that appear or use the search engine, and you can search through one of the following options:

   - word
   - HS Heading
   - HS Code

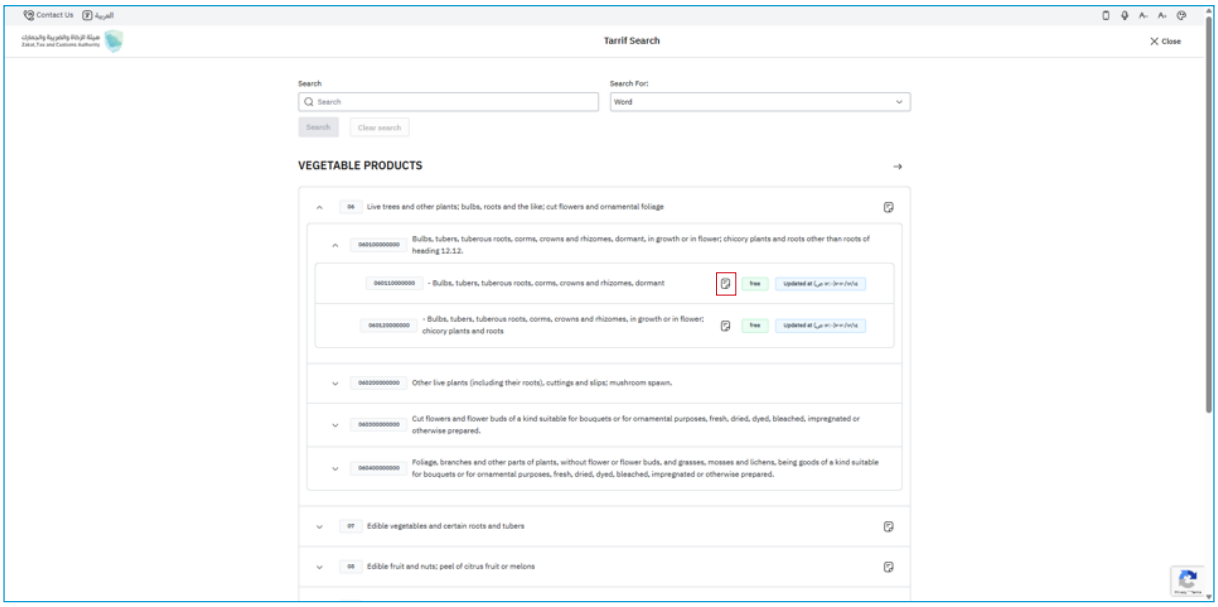

2. Select the desired section and click on "Details":

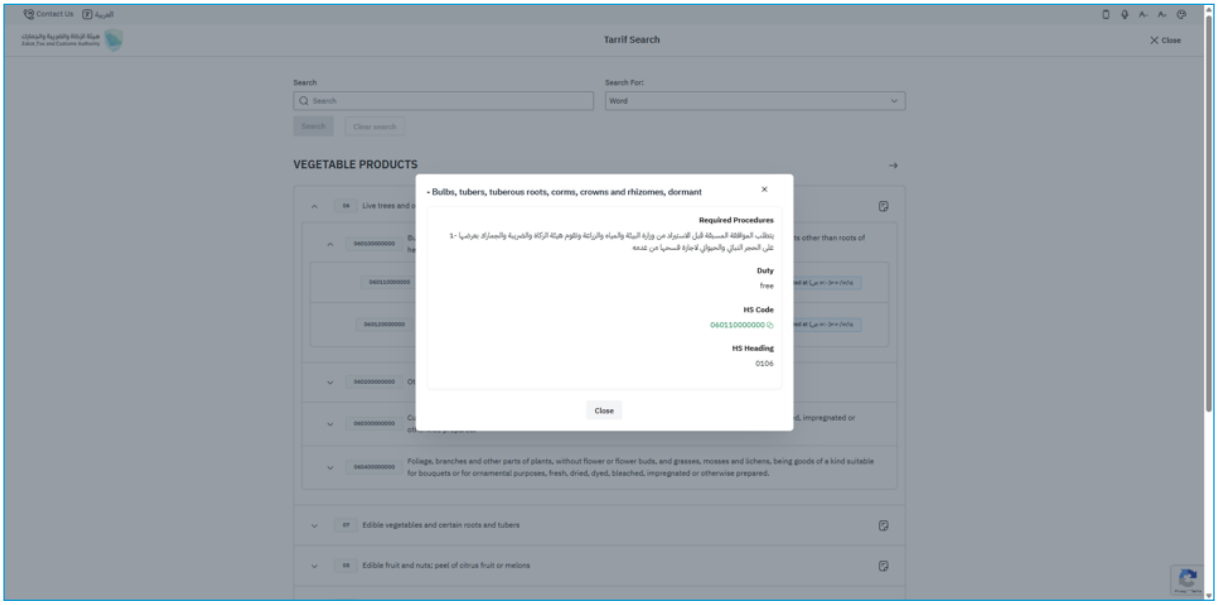

3. A list will appear with the details of the tariff items:

4. Click on " Procedures" to display the tariff details:

5. A window will appear showing all the details:
